- GIT

EXPERIENCE

Amazon Delivery Driver

2021 - Present

- Demonstrated exceptional time management skills, consistently meeting delivery deadlines, and optimizing routes for efficient deliveries.
- Provided excellent customer service, ensuring positive interactions with customers during deliveries, resulting in high customer satisfaction.
- Maintained a clean driving record and upheld safety standards, ensuring the safe and prompt delivery of goods.

Safety Steward – Chelsea Football Club

2017-2021

- Proactively ensured the safety and comfort of guests during events, responding promptly and professionally to safety and security incidents.
- Demonstrated strong communication and problem-solving skills, effectively managing high-pressure situations while maintaining a calm and professional demeanor.
- Collaborated with fellow team members to provide guidance and assistance to guests, contributing to a positive and secure environment during events.

EDUCATION

BEng – Civil Engineering

2.1

2022

London South Bank University

INTERESTS

Engaging in online courses and resources to enhance knowledge and stay updated with industry advancements.

Enjoying playing and watching football/basketball to find balance and foster teamwork.

PROJECTS

[NBA Player stats app](#)

I built a dynamic NBA Player Stats App using React, showcasing expertise in HTML, CSS, JavaScript, and React. The app enables real-time access to players' current season statistics.

[Weather app](#)

I developed a sleek and intuitive weather application using React, showcasing my knowledge of React, along with HTML, CSS, and JavaScript. The app provides real-time weather updates for any city, empowering users to stay informed and plan their day with ease.
